

# General Product Warranty

Freeway Med-Tech makes the following limited warranty. Freeway Med-Tech warrants its products and their parts against defects in materials and workmanship under normal use for a standard period of one (1) year from the date of original purchase. During this period, Freeway Med-Tech will repair or replace a defective product or part without charge for parts and labour to the purchaser.

## Warranty Terms and Conditions

- The warranty applies only to products manufactured or distributed by Freeway Med-Tech.
- The warranty applies only to defects in material or workmanship as limited above and does not include parts or items subject to normal wear and tear. The warranty applies only to products with authentic product serial numbers and to defects which occur under normal use. The warranty coverage DOES NOT EXTEND TO damage to products or parts which results from alteration, modification, faulty installation or service by anyone other than an authorized Freeway Med-Tech Service Provider; damage to products or parts caused by accidents, fire, submersion, theft or loss, abuse or misuse (such as exposure to liquids with protective covers left open), application software, virus or malware (regardless of origin), improper maintenance, mishandling, misapplication, or use in violation of instructions furnished by Freeway Med-Tech; damage which occurs during shipment or any damage caused by acts of war and acts of God, such as lightning and earthquakes; and cosmetic damage with no effect on product functionality.
- Products under warranty in time and scope will be repaired and returned to purchasers in the UK via regular ground service, or equivalent, at Freeway Med-Tech's expense. In the case of "no problem found" (NPF) returns, or the findings are the result of user damage, a service fee shall be assessed, and the purchaser shall also be responsible for return shipping charges.
- Damaged components will be either repaired or replaced at the manufacturer's discretion using new or refurbished parts that meet or exceed specifications for new parts. Freeway Med-Tech will, at its option, repair and/or replace (with a unit of like condition which may be refurbished) a defective product that is returned within the Warranty Period to an authorised Repair Centre. If replacement parts are used in making repairs, these parts may be remanufactured or contain remanufactured materials. Freeway Med-Tech, at its sole discretion, may replace a product with a refurbished or reconditioned unit having comparable features.
- During the repair process it may be necessary to reformat or replace the system's mass storage or refresh the operating system in storage media to original factory settings. During the repair process all data on the mass storage media may be lost. Such data loss is not covered under any warranty program – basic or optional. The user or customer is solely responsible for the data on the device. It is recommended that a backup function be performed before returning a device for repair.
- Products outside of the warranty period or scope shall be diagnosed at purchaser's expense. Freeway Med-Tech will require purchaser's repair and payment authorization to proceed with any repairs.

# General Product Warranty

- **International Shipping:** Regardless of warranty status, Freeway Med-Tech does not pay for international shipping. Shipments to and from international locations will require the purchaser to be responsible for two-way shipping and for any customs fees and duties.

## I. Extended Warranty

The optional Extended Warranty plan is available for all products covered by the Basic Warranty. It is a multi-year extension of the Basic Warranty, purchasable for an additional 4 Years ( 5 years total) measured from anniversary dates of the original product purchase.

### The following statements apply:

- The Extended Warranty plan does not cover battery packs and accessories.
